## FACTS

Venture Atlanta brings innovative companies, disruptive technologies, and top-tier investors together for the best venture capital conference in the US.

## WHERE IT BEGAN

Venture Atlanta began 12 years ago with one mission: to connect companies to capital. Today, this mission has expanded beyond monetary capital to connect businesses with the resources, network, clients, partnerships, and talent they need to grow. Venture Atlanta has played an essential role in the tech ecosystem of the South and is proud to be a part of so many success stories throughout the community.

Starting in 2007 with a couple of hundred attendees and only 20 funds, Venture Atlanta now welcomes more than 1,000 annual attendees and 160 funds, many of which come from out of state. The conference's network and events have led to \$4 billion in funding raised and \$14 billion in successful exits.

Beyond the opportunity to raise money, Venture Atlanta offers a way for entrepreneurs, investors, sponsors, and service providers from across the region to make other meaningful connections that could prove valuable to their business. Past attendees have met people who went on to become partners, customers, mentors, employees, and more. Venture Atlanta serves as a connection point for all who attend, and that connection may be just the thing a company needs to take it to the next level.

## COMMUNITY IMPACT OF VENTURE ATLANTA'S 13 YEAR HISTORY:

- **450+** Technology Companies on Stage
- **\$4.4 Billion** raised by our Presenting Companies
- **Over \$14B** in Exits

## HOW IT'S MAKING AN IMPACT

For years, there was a misconception that the only emerging tech companies worth paying attention to were the ones coming out of the Valley. This no longer rings true; as the companies in the Southeast have changed the tech industry as we know it. Venture Atlanta is the catalyst and the connection point for so many of these businesses. It has fueled a powerful ecosystem that introduces companies to capital, but also talent, mentors, partners, and customers. Two days a year, hundreds of investors from across the nation travel to Atlanta to see the best in the region in the event that truly changes the course of these companies forever.
