SPONSORSHIP PACKAGE

#VA2020
Venture Atlanta brings innovative companies, disruptive technologies, and top-tier investors together for the best venture capital conference in the US.

Venture Atlanta began 12 years ago with one mission: to connect companies to capital. Today, this mission has expanded beyond monetary capital to connect businesses with the resources, network, clients, partnerships, and talent they need to grow. Venture Atlanta has played an essential role in the tech ecosystem of the South and is proud to be a part of so many success stories throughout the community.

Starting in 2007 with a couple of hundred attendees and only 20 funds, Venture Atlanta now welcomes more than 1,000 annual attendees and 160 funds, many of which come from out of state. The conference’s network and events have led to $4 billion in funding raised and $14 billion in successful exits.

Beyond the opportunity to raise money, Venture Atlanta offers a way for entrepreneurs, investors, sponsors, and service providers from across the region to make other meaningful connections that could prove valuable to their business. Past attendees have met people who went on to become partners, customers, mentors, employees, and more. Venture Atlanta serves as a connection point for all who attend, and that connection may be just the thing a company needs to take it to the next level.

- 450+ Technology Companies on Stage
- $4.4 Billion raised by our Presenting Companies
- Over $14B in Exits

HOW IT’S MAKING AN IMPACT

For years, there was a misconception that the only emerging tech companies worth paying attention to were the ones coming out of the Valley. This no longer rings true; as the companies in the Southeast have changed the tech industry as we know it. Venture Atlanta is the catalyst and the connection point for so many of these businesses. It has fueled a powerful ecosystem that introduces companies to capital, but also talent, mentors, partners, and customers. Two days a year, hundreds of investors from across the nation travel to Atlanta to see the best in the region in the event that truly changes the course of these companies forever.
VENTURE ATLANTA ATTENDEE PROFILE

2019 saw huge growth for Venture Atlanta. 20% growth across the board in attendees, investment funds and sponsorship dollars raised.

The quality of companies presenting continues to go up, and there has been an echo effect of other meetings taking place outside the conference.

Thanks for putting together a rockin’ show —good job!

Our entrepreneurs need us now, more than ever! We are excited to announce that Venture Atlanta 2020 will make history as the first-ever virtual Venture Atlanta conference.

Our top considerations when making this decision were:
- The health and safety of our attendees, presenting companies, and speakers
- Our mission of connecting companies to capital and how we can best accomplish that during this time
- Maintaining the same quality experience that our audience expects from us

Making the call now to deliver a fully virtual event in October allows all of us to plan ahead without navigating what may or may not happen in the coming months. And the best part - Venture Atlanta Online 2020 is going to be our biggest event yet. Your brand will be in front of more attendees than ever before – and for a longer period of time. In the virtual world, on demand content is key! This is NOT going to be just another webinar or zoom call, this will truly be an online live conference. And we can’t wait to show you what we have been working on for months. Supporting Venture Atlanta, will be just as important as it has been in the past.

*If you plan on sponsoring Venture Atlanta, please act quickly and contact Allyson Eman at aeman@ventureatlanta.org or 770-298-4202 for more information.*
